

A GREAT INCOME \$\$ OPPORTUNITY – THAT REQUIRES VERY LITTLE TIME!

Hello:

My name is Ray Stanton and I am a former teacher/coach/principal. In 1975, I began a part time journey into school fundraising to enable myself to better support our family and to remain in teaching! It worked very well and soon I was able to double my teaching salary! Today more than 40 years later my family publishes SaveAround fundraising books in more than 175 cities!

I would now like to extend the opportunities that I had to current educators who would like to earn a lot of extra income in a very part-time advisor position.

HERE'S HOW IT WORKS!

- Our corporate staff enrolls our new “advisors” to an independent contractor status that allows them to operate on their own time.
- Our corporate staff orientates / consults and remains available at all times to help facilitate our advisors to be successful!
- Our advisors responsibility is to sign groups and organizations in the community to use our successful and proven savings book as their fundraiser.
- Typical groups would be: Elementary Schools (PTO/PTA), Middle Schools, High School Classes, Sports Teams, Bands, Chorus, Community Sports (Little League, Pee Wee Football, Soccer, Hockey) and Adult Groups and Organizations.
- All this will be discussed in our initial conversations.
- Our corporate office does all product delivery and collections of funds!
- This allows our advisors to spend all of their time showing our product and signing up groups to use SaveAround as their fundraiser!

Our fundraising groups earn 50% (\$12.50 per book) on all sales!

Example:

- 1. Group sells 200 books and they earn \$2,500 profit!**
 - 2. Group sells 1000 books they earn \$12,500!**
- It is a great/proven successful fundraiser!**

Our advisors earning expectations are as follows @\$3.00-\$5.00 per Book* up to:

Year 1 – 3,000 – 5,000 books sold earn \$15,000 - \$25,000 profit
Year 2 – 5,000 -7,000 books Sold \$25,000-\$35,000 profit
Year 3 – 10,000 -12,000 books sold \$50,000-\$60,000 profit.

***Varies by market.**

The Sky is the Limit – it's up to you! Yes we have had advisors sell 10,000 books year one!
